“Paco, my heartfelt sympathies to you and your family. Millie was such a sweet person. I think about the times at Norma & Robert's Christmas Eve Parties & at your house on New Years Eve. I will always think about her learning to say "Over Yonder". Love to you and always remember the happy times with her.

“ *When The Lord calls our loved ones home, He leaves a gift of memories in exchange.*

May happy memories carry you through this sorrowful time.

So Go Run Free

*So go and run free with the angels
Dance around the golden clouds
For the Lord has chosen you to be with Him
And we should feel nothing but proud
Although he has taken you from us
And our pain a lifetime will last
Your memory will never escape us
But make us glad for the time we did have
Your face will always be hidden
Deep inside our hearts
Each precious moment you gave us
Shall never, ever depart
So go and run free with the angels
As they sing so tenderly
And please be sure to tell them
To take good care of you for me*

“ To an amazing women...Millie's legacy will forever be in my heart. She always had a positive attitude no matter what her circumstances. She lived her life with a servants heart, she valued time with family and friends, she cherished every minute with her grandchildren,husband, and children, she was always reaching out to others and encouraging them. She had tremendous strength and courage through her battle. She is a warrior and will always remain in my heart. She is my inspiration and nothing can take those words of encouragement, love, and hope she has blessed me with over the 19 years I was able to share with her. May God be with you all during this time and know this...your mother's legacy will live on in those she has blessed.

“ My heart goes out to your family but you were the bravest woman that I ever knew. You gave me hope when I had cancer and taught me never to give up. Your great strength should give everyone hope, now it is your turn to rest. Love to your family.
