“ Charles, we were so sad when we learned of Nancy's going home. We can't thank her enough for being such an inspiration to us when we started our home-based business. Her confidence and encouragement was a much needed boost to both of us after a job loss. She will never be forgotten by us or the many others that she has touched during her long, successful career in real estate. She was such a special person. She will be missed by all. “ Nancy was a dear friend and i had the pleasure of working with her at Tara Properties for 4 years. She was a wonderful person who we will miss very much. My fondest memory of her was a trip to Cancun which we made together with some other friends and realtors. RIP AND MAY GOD'S COMFORT BE WITH THE FAMILY.
