“ It is hard to believe that my cousin is no longer in this world. I know a lot of people will wish you peaceful rest. I on the other hand remember the girl that loved to chase chickens and wanted to ride the bull instead of the pony. We never let you live that one down. Nancy your life in the last few years has been so hard and filled with pain. I wish that God gives you energy. Enough to allow you to smile as you once did. Your smile lit up your eyes and whole face. It also lit up the room. I hope you were able to run into the arms of your son and parents. You will be missed, enjoy your new life, and tell everyone there we are also looking forward to a reunion one day. ~ Carol Clark

“ We met in the 7th grade, we were 11 years old. By the next summer we were best friends and inseparable. And for the next 30 years we continued to be as close as sisters. Our children were as close as cousins. We were and are Family by choice. We got busy with life and all that it brings and haven't seen each other as much the past 15 years or so but still kept in touch. I will always cherish the memories of our friendship. We experienced a lifetime of things together. Rest in Peace Nancy.
