“ I am so. sad you are gone. The one great thing is you are with your daughter. You and Robin were so close.. Robin was my best and dearest friend. I loved her so and think about her and miss her every day. You will be missed always. Give her a hug for me. and you. two take good care of each other. I thank you for the lesson you taught me. by example, to be. a strong and independent woman. I will always remember you for that and truly thank you.

“ Natalie was such a special person, and one of my favorites who enjoyed lineage society state meetings as much as I do. I am so very sorry for you both and you will continue to be in my prayers. Please know your mother was a great friend to so many and was loved throughout the state. I wish I could be there on Thursday, but please know I am with you in spirit!
