“ *The unconditional love of God, through Mrs. Hancock, is the very thing that drew me into a loving relationship with the Lord. It is through her life, that I serve the Lord so passionately today, and I grieve so deep for her wonderful and loving husband, Dr. Raymond Hancock, whose great sacrifices as "my pastor", were life-changing to my family and I. For each and every tear shed, there is a wonderful memory of a great woman of faith, whose love has meant so very much to me. May the Lord continue to bless her beautiful family.*

A trite but true observation: "Your loss is Heaven's gain."

“ Preacher, you both have been precious in my life. I'm not sure where I would be without your influence in my life as a teenager. My love and prayers are with you all. What a joy to know we'll be together in Heaven! Praying for God's continued comfort for you all. I love you all more than I can say. So sad for our loss here on earth, but so happy she is with the Lord. Love you. Joanne Bunyan
