“ Scott,  
Brenda and I were very saddened to hear of Norm's passing. He made my year of living on the lake much more bearable. Over the years, I've taken my wife, son, and two grandsons over to meet him and visit with him. I will always count him as a friend. Bob Duke

“ I grew up in Southwest Lagrange with Norman and Faye. Faye and I were in the same class. I have fond memories of our times at SW LaGrange Baptist Church. Norman had a great musical talent and so glad he used it in Christian service. I see where one of the grandchildren is named for his dear father, Boyd. I hope he knows what a great honor that is.

“ Mr. McClellan is singing for joy now! Pastor Mike has always teased that when we get to heaven, preachers will not have their job anymore, but the choir directors get to keep on singing.

*Please know that my thoughts and prayers are with you and I am always here for you.*
