“ Ms. Pat was such a sweetheart. She was always so kind and loving to the students and faculty alike. She would bend the "rules" in order to make sure the kids ate. She took care of me when I didn't have enough money for my lunch. She always asked about my children every single day. It makes such a difference when people genuinely care about you. I'm not at Riverdale anymore, but I know it will never be the same without her. I love you, Ms. Pat.
