“ Pat was a friend of my mother's when they worked together at Clayton General. When I started in EMS I remembered her and she became my friend too. Never a bad word about anyone and always a joy to be around. Rest in peace Pat. Maybe you, mom, and hte rest of the girls can hit the clubs together again.

“ Our earthly loss is one of Heaven's greatest gains. Pat, aka Teacher, was one of the most humble, caring, loving individuals a person could hope to have in their life. She enriched my life in so many ways. She was "One" of a kind. Those who knew her loved her. I will miss you dearly my friend, keep a stool open for the earthly dwelling BSW's. Love you, Karen

“ Pat I will miss you. When I first started working at Southern Regional you said be a good nurse and show them what you're made of. I was there when you were sick. You never stopped fighting. We prayed with Janice and you were courageous to the end. God has another flower in his flower garden. Take your rest. We loved you, but God loved you best.
