“ In my entire life I have never met anyone else that was able to always put a smile on my face. His random calls always seem to happen right when I needed it most. There were times when I'd send him a text and next thing he'd call me and say "hearing a voice is much better than texting." He was right, of course. There must be a good reason God took him now - but I really wasn't ready for him to be gone yet. I will miss you Mac.  
All my heartfelt sympathies to his family and those whom loved him.

“ Lt. McClellan, who am I going to share good jokes with now? You gave me the name and shared this with everyone you introduced me to as "The Ringmaster" Why? In your words, "Because you keep the circus together!" :) Get your rest.
