“ *With deepest sympathy to the family. I was fortunate to meet Paul when I first started at Piedmont. Had to go learn a new process, and he was kind enough to show me around at Henry. He was patient with me. Even told me about the Amateur Radio system. He will be missed.*

“ Our heartfelt condolences to the family of Paul. We knew Paul through Amateur Radio. We worked with him on different projects at the hospital regarding Amateur Radio. Paul helped us with trying to find one of our relatives through Ancestry.Com and that eventually helped us to find that relative. Our deepest sympathy goes out to the family and they will be in our prayers!! Butch and Gloria Nitz.

“ What a great honor it was to work and serve with Paul. He served diligently in the Wards he was a part of. He was our oldest son's Cub Master and left a great impression on him. May God Bless and Comfort you all.
