“ Peggy was a warm, kind and sweet lady. Her life was blessed because I still see the blessings she had in her life (my family). She lived abundantly and touched many. The times I was in her presence she was such an intriguing lady full of love and kindness. Keith, Wendy and Ashley, consider this time in your life a time to grow in spirit and know you were touched by an angel! Time is a precious and natural healer. Allow the memories and the Lord to be your strength as your heart heals. Hugs and love to each of you. Love y'all!
