“ I was blessed to have Peggy as my neighbor in the Enclave and to enjoy chats from our patios and also to be able to see her beautiful plants and flowers every day. She will be missed greatly by so many here! My heart hurts for her wonderful family who have been so faithful to be with her during this difficult time. Unfortunately, I am in Texas with my kids and the grandchildren so will not be able to attend the visitation or graveside service. Please know my thoughts and prayers will be with you all. May God give you the comfort and peace that surpasses our understanding. Cheryl Burchfield

“ Miss Peggy was the kindest neighbor in Keg Creek. We often chatted as I walked my dogs past her house where she would be outside tending her flowers. I know she was dealing with pain yet her positive attitude and lively conversations were what I admired and remember. Rest in peace, Peggy.
