“ *Mr. Gaffney was my Forensic Science instructor at Southern Crescent Technical College. Though our time together was brief, he left an ever-lasting effect on me of the meaning of humanity and dignity. He inspired me to strive hard for what I truly want in life and he was the most determined man that I have ever known. Mr. Gaffney was a worldly man whose knowledge I thirsted for. It was an honor to know him. My sincerest condolences and prayers go out to his family.*
