“ What can I say, anyone that knew him wanted him as a back up on bad calls. He was a cops cops. Although I started Policing with Morrow P.D. in 1976 anyone in the law enforcement field knew of Sgt. Ussery. He was one of the 1st ones to arrive on a sig 63 and the last ones to leave.
He would go out of his way to teach us rookies the right way to do things. I have also retired and moved to Alabama therefore I will not be able to attend the final good bye but My prayers are for his family...Like I posted on Facebook when I heard the sad news, Sgt Usserys watch is over here on earth and what a Wonderful job you did, Now you were called to be one of the front Leaders in Jesus Army when he returns... RIP.

“ I wanted to thank the family for sharing Sgt. Ussery with the police dept. It was an awesome honor to be a young officer and get to work for such a great and respected person. It would be great if the young officers of today had a Sgt like Jim to lead them. My prayers are with you.

“ I'm so sorry for your lose. Sgt. Ussery was a wonderful man. I worked in radio, and there was never a dull moment with him on or off the road. He always had his big knife with him. Lol. He'd come sit in radio drink his coffee, check to see if we needed anything, and tell stories about him and his knife. I was so sad when he retired.

Sgt. Ussery was a one if a kind and very loved. I pray that in this time in all your lives God will wrap you in his arms. Look to him and he will guide you all through this hour. If you need anything know that you have a large family out here to help.
