Thank you so much for sharing your family photos. It was a blessing for us to see a bit of Robby's family life. Doug and I first met Robby in the 7th grade at Jonesboro Junior High School. And we all graduated high school together in 1973. We both have always felt blessed to have known him through the years. Our visits with him at our class reunions allowed us to know him as an adult. He was always quick to share a smile and a hug! Please know we are lifting you in our prayers. Doug and Melody Jones

“ *Robby you were the best father in law a girl could ask for. You would give anyone the shirt off your back, you were a strong Christian man and if I ever needed anything all I had to do was call you. You loved the grand kids (Lea and Natalie and even my kids and little Gary) with all your heart. It will never be the same not being picked on by you or being able to call you for advice or anything you helped me with. But I know you're happy up there with nanny and Jack. Until I see you again I'll do my best to take care of everyone you loved down here. Go fly high and always watch over us. I love you.*
