I've worked with Brent for many years helping to relocate pets to their families moving around the world. Brent was also so willing to assist in anything that was needed for the pups and kitties in his care. I'm so sad that I was unable to make the funeral service on such short notice, but will definitely miss working with Brent. Sincere condolences to Ricky and the whole family.

“ We lived about a mile away from Aunt Evelyn in Riverdale. Brent was my baby Bivens cousin and we all doted on him. Every time I went to Aunt Evelyn's house, I couldn't help but smile when he was around. His was an uncomplicated love that I returned with enthusiasm. He will be missed by everyone who ever met him. I am so very sorry for this additional loss for you all. The color Polaroid is of Brent in the '70s at my mom's house in Riverdale. The middle photo is of Brent and me with our grandmother, Claudie Mae Tankersley Hackett Rice at our house in Hapeville and the one on the right is Brent and Ricky.
