“ *To my very good friend of 33 years. So glad you came into my life. We had so many adventures together. You were there for me when I needed you. One thing Chop ask me to pass along to his family when this time came was that he loved you all dearly with all his heart and did the best he could for you all. You taught me how to fish and hunt and live every day happily. You told me that we will meet again after this life with our Lord and Savior.I can't wait for that day. You are the best example of a true friend! Rest easy my good friend Chop.*
