“ Cindy Lee, I just wanted to take a private moment to let you know how much I love you and your family. I don't think I have prayed so hard and so long for anyone in a very long time, except my children. I can't believe you all are having to go through such an unbelievable tragedy as you have for the last few months. My heart just breaks for you all. Please remember there are so many of us wishing we could take some of the pain away, but there's only one being that can do that. God bless you all. We'll not be there today or tomorrow due to Manny's shoulder surgery and being in crowds that might bump it. Our prayers hoping to lift you all up above the pain and suffering. Rest in His love and grace, my friend.
