“ RIP my life long friend. It has been a pleasure finding you again on Facebook. To have you talk about the good ole days was such a joy, talking about things I had forgotten about was truly a hoot! To his wife he loved with all his heart and his children whom he was so proud of know that I feel your pain and I'll be praying for you all. God always has a plan and sometimes we don't understand. If we keep Faith more will be revealed.
