“ Dear Sandra, the easiest thing to say lately is how wonderful you truly are, and how big your heart is. How, without thinking, without trying you knew what to do, what to say, whether it was to giving advice, lending a hand, always ready to help anyone, even the wandering pups that popped up in the yard. How much you love all of your family!!, taking trips, fishing, school events and just enjoying yourself with each and every one of them. It truly showed!! The part I Love the most, your laugh!! You are the strongest, most selfless, loving woman, but also the funniest friend I've ever had the pleasure of knowing. You would have us laughing until we were crying!!!
I thank you for being a great neighbor and friend!!!
The hardest thing to say... is goodbye. I will miss you sooooo much!! We will always be looking for you everyday to wave (both hands up) and yell 'hey girlfriend' from across the street. Today we raise both hands 🙌 up for your celebration with Jesus. May you rest peacefully my friend.
