“ I was so very sorry to hear about Sandy. I knew her a very long time. She had a heart as big as she was always caring about others. She taught many first aid classes to a lot of bus drivers. She will be missed, I haven't seen her in a long time. My prayers go out to her family.

“ Ms. Sandy was one of the 1st people that I got to know when I started work at CCPS. She taught First aid to our class of future drivers and monitors. I already missed her since the last day she was in dispatch. I know that the family will miss her deeply. May the memories always be filled with the humor that was her own.
