“ Oh baby girl. I'm so lost and hurting over your loss. I miss you so much. I never imagined the day you would ever leave this earth. I know in my heart that you are in heaven with your grandparents. I know you accepted Jesus' invitation to enter heaven. I know I will see you again one day and I know you will be the one to take my hand and lead me into the bright light just as your grand mom took you by the hand. I know you wanted a new body and our prayers were answered just not in the selfish way I wanted. I understand now baby girl that my prayers were answered. I've accepted your loss but I will carry you in my heart for as long as I shall live. I know you will be looking down here and being my guardian angel and I'm happy for that. You have been and forever shall always be my little buttercup. Until we meet again baby girl my heart will always miss you.
I love you BC. Forever in my heart always on my mind.
Daddy.
