“ Tom was my very best friend growing up - from kindergarten to graduation from Ga Tech and beyond. He and Bev set me and Peggy Rhae Lynch up on a blind date while we were sophomores at Tech and Bev and Peggy Rhae were seniors at Jonesboro HS. Rhae (she goes by that now) and I are coming up on our 55th wedding anniversary in Sept!

I can still hear David Turner calling him "TOG"...

We've lost contact since he and Bev came to my father's memorial service in 2009, but I've never stopped thinking of them.

I was shocked recently to hear they had both passed away in the same month in 2022. I so regret not being able to spend more time with them.

I'll never have another friend as close as him - rest in peace Tommy.
