“ *My earliest memory of Tiffany is when my family took her in when she was struggling financially. I was only maybe 10 or so at the time. It was a long time ago. I will always be forever grateful for Tiffany for protecting me and my sister when we would have family issues. I really wish she never left but there were so many things out of my control as a child. You are an angel and I really hope we get to meet again one day since we never did get to meet up for lunch. Love you girl! My thoughts go out to all of Tiffany's family and friends.*

“ This is my absolute favorite picture of the two of us...she called me sister back then and my husband was “brudder”...she even spelled it that way recently. We shared a lot of laughs and a lot of tears over the years. I will miss the random texts and phone calls. And I will love her forever! (Aunt Beth)💔
