“ Tony and I are so sorry for your grief, heartache, and pain. We are happy for Troy that he is in heaven which is the most wonderful place that is unimaginable to all of us. I love reading about heaven in scripture. After my Dad went to heaven, I read the book: "90 Minutes in Heaven" because I wanted to know more about where he was. It helped me tremendously. We both love Troy and will miss him terribly. He was always so kind, caring, and gentle. I am thrilled that we had as many years knowing him as we did. It's never long enough, though. We will all be together again and rejoice together in heaven. What a happy re-union that will be. We wanted to come to the funeral but Tony could not get off work. We pray for peace and comfort to you all. Love and Hugs,
Tony & Carolyn Horne
