“ I am so sorry at the passing of Val. I worked for her at the National Park Service for a number of years. She was well respected and such a lovely, smart, strong woman who dedicated her knowledge and talent to her job. My thoughts and prayers go out to her family. Love, Carol Cortino

“ Val was an amazing lady and loved to serve with the Georgia Wing Civil Air Patrol. She was an important part of the Georgia Wing as the wing finance officer when I started at wing in Jan 2012. As the wing administrator, I worked close with Val to keep the wing finances in compliance. She always did a great job, without pay, as a volunteer and I enjoy seeing her every week for the one evening she and Joe would come into the office. I know that she loved her family and she loved her fur puppies. Val will be missed and I will keep Joe in my thoughts and prayers. He has been there for his mom and dad for his entire life and I know it will be hard, but God will get him through this time and he will have wonderful memories for the rest of his life. Gina Cone, Wing Administrator, Georgia Wing Civil Air Patrol.

I had the honor of working with Val for many years while in the National Park Service. She was an important part of the Southeast Regions financial structure for 70 parks and 3,000+ employees. She did a tremendous job. Smart, respectful, and honest were just a few of her qualities. May you rest forever in the loving arms of your maker, Val Lee Knight. John Cissell, USNPS Retired
