“ My next door neighbor since 1972 just died. I was looking for her service and burial information at Ford Stewart and found someone else I met in 1972. Carol, do you remember the Cub Scout song, "This Little Light of Mine, I'm gonna let it shine...?" Hundreds of Cub Scouts' children and grandchildren are today and tomorrow receiving that light from you and from Wayne. Thank you for it so very much.

“ *Carol and Family: I am shocked and saddened of hearing about Wayne today. He was a wonderful person who was funny and very sweet. Every time I saw him he had a smile on his face and was just a super nice person. I remember the day that you and Wayne got married he was crying because he was so happy and he loved you so much. I remember thinking how sweet that was because most guys have a look of dread on their faces when they get married. May God be with you and your family in your time of need and guide you through the dark days into the light where you will find peace and serenity once again. I love you Carol, Terri and Melissa and know I am here for you always*
