“ Daddy, I miss you so much I can hardly breathe some days. I will cherish our memories and know no one will ever love me like you did. In life you took the good with the bad and still pushed through. I am sorry I didn't take my kennedy picture off the wall our last trip like you told me to, I want to believe in the goodness of people yet you were right. It's different when blood is sore with you we get over it return to love. I won't let the ugly people turn me bitter. I love you daddy I miss you and I thank you for teaching me all that I know and feel when I think of you . Rest in peace and pain free and give Mom and everyone else my hugs and love especially Jesus. Xxxx00000 your loving devoted daughter 4 rose Leah beanie Shelly your baby girl.

“ So sorry to hear of your loss. We enjoyed living next door to Marion and the talks we always had with him in our drive. He was a great neighbor and quiet a character.
