“ To the entire family:

I am so sorry for your loss--and ours too. Gene was a member of my Class of 1956 Henry Co. High. I remember him especially for being very smart and polite--a real gentleman. We both played in the first band the high school ever had. He was voted "Best Student (male) in Who's Who in our class. We will miss him.

“ Dear gene, You will be missed. I have known you since I was 10 years old. I first met you right after you and Bessie were married. Goodness. 50 years!!! You came to West Virginia to see us and we had such a good time teaching you about playing in the snow. I still remember the stories of you sledding down the hill behind the school and helping daddy get the car unstuck from where Bob had gotten it stuck in the snow. The thing that surprised me most was that you knew how to play piano. I had never known a boy to play piano at that age. We cleaning the church and you were playing. I was SOOOOO impressed. You have always been a good brother-in-law and loved my sister and your kids. And the dogs, too. I still laugh when I think about you feeding Scooby the wrong food from McDonald's and he had diarrhea (when Bessie was gone). I love you and I will miss you.

“ *Second only to my own father, Gene was the best boss I ever had. He was not only a great boss but a great friend as well. Thanks Gene for everything you did for me. I'll always remember the times we went to the woods.
God bless and best wishes to all of the family.*
