“ I was Mr. Friddell's nurse at GCS and I am just now learning of the Lord taking him home. He was such an amazing man and was always so sweet to me! What a strong fighter!! I was blessed to have known him!! I will always remember him and his sweet family that came with him to his appointments. Every time I go to McDonald's, I will think of him because I always teased him about bringing McDonald's to every appointment.

“ Dear Bekka and family,
These times come and take our breath right with them. I don't have any magic words to make it hurt you less, but I know how much you adored and loved your Daddy. I can't say I ever had a girl friend who loved her father so. I think you have to focus on all the gifts you received from him in their lifetime and bundle them up as treasures. You are a fine daughter Bekka. Your "Daddy" shines so clearly through you. I hope to be able to find more of him in you as I promised I would be here for you always. God Bless you. Pam

“ My deepest sympathy goes out to the family of William "Fletcher" Friddell. I knew Fletcher from Delta, although we did not work in the same area. He was a great guy. I know he will be missed by his family and friends. I pray that you find that God's love and strength will sustain you through the coming days and weeks ahead.

“ I am so sorry for you loss. I have many fond memories of mr Friddell. Playing kick the can in the circle growing up. His was one of the houses where all the kids would be hanging out at some point. I always remember playing in the camper sitting in the driveway with Beth and Kim and John and Jimmy and many more! He was truly a great man and i am so glad i got to know him later in life as i came back to the neighborhood. Praying for you all through this difficult time!!

“ Fletcher Friddell was a kind and loving man, a shining star example of how to live a Christian and full life, how to fight cancer with determination, exercise, eating right, and being positive, a man who loved his family and his fellow man, and who would do anything in his power to make the life of another easier. He also knew when to quit fighting and just live and love life, family, and friends until God took him Home. I am in awe of every conversation I had with him, of his peace, love, kindness, and capacity to put others at ease with whatever his condition. I am proud to have been his cousin. I am also proud of the family he raised to be a loving, giving, forgiving, and sharing family. His daughters, especially, have reached out to me, accepted me as one who loved him and them, and have kept me updated throughout his long struggle. We will rejoice in the life he lived, and savor the memories we each shared with him until we, too, shall be reunited with all our dear loved ones in our Heavenly Home, as well. His legacy will live on in our hearts until then.
