

## William Caldwell Pike

January 29, 1949 - August 22, 2012

Heaven just received its newest angel; a true free spirit, provider to the less fortunate, consummate champion of the underdog, a loving son, adored brother, caring uncle and stepfather. William Caldwell Pike was received into God loving arms on August 22, 2012. Bill was born in Huntington, West Virginia on January 29, 1949. His greatest joy was being a mentor to those less fortunate and those who chose to walk to the beat of a different drum. He was a graduate of Marshall University, Huntington, West Virginia and was a proud brother of Sigma Alpha Epsilon Fraternity. He went on to receive a Masters degree from Northwestern University Chicago, Ill. Bill was a mortgage broker at Stockton Watley and Davin and Bank of Boston before beginning his own brokerage firm, Southern Homes Mortgage. He is survived by mother Carol Teagle; sister Cindy Pike Short (Bob); niece Jennifer Eden; great nephews Hunter, Blake and Spencer Fromang, and Brian Okam; stepson Cris Candy; stepdaughter Casey Cline and step granddaughter Zoey; stepdaughter Hannah Grace Braham; cousins Carol Tittle (Chuck), Tom Krieger (Jackie), Joe Krieger (Carolyn), Sally McCoy (Gene) and Sue Foster (John). “ *Bill was such a unique person, and he will surely be missed by everyone who knew him. I have known Bill for about 25 years and used to work with him while in the Real Estate field. In the past, I would take care of his Yorkies for him when he would go on trips. Sending my sympathies and condolences to his family. He was a special man!*

“ *Dear Cindy and Family  
May God hold you in His arms and give you comfort and peace. Your father was a good friend and comfort to me. I met him when I came to Forest Park in 1992 at Jones Memorial Methodist Church. He became a good friend and email buddy for scripture and faithful mentor. He was such a great help to me when I wanted to buy my own home and assisted me in that process. We had some great conversations about light-houses, ofwhich he was a great fan. I will miss his daily email communications for Daily Living and other inspirnational messages. May God comfort you and give you peace to know that your father was a blessing to many.*

“ To Bill's family,

*I want to express my sympathy at Bill's passing. In 1969 I graduated from Barboursville High School, and enrolled in Marshall University. As a rather shy and quiet person living at home, college seemed scary to me. Bill changed my life when he invited me to join Sigma Alpha Epsilon Fraternity. He not only invited me, he would pick me up and take me to the functions making sure I met all of the members. I joined and flourished in Sigma Alpha Epsilon, becoming president of the MU chapter and eventually became a SAE traveling consultant visiting 50 colleges and universities across the country. I have always credited SAE for giving me many opportunities and friends I would not have had otherwise. Certainly my SAE experiences would not have happened without Bill. I will always be thankful that Bill took the time and interest in me.*

“ To the family of Bill,  
I only knew him a short while, but it was a pleasure. He was kind,  
funny and interested as well as being interesting. I worked with Bill  
at Clayton County Transportation and it was my fortune to meet him.  
I am sure that he is greatly missed by the whole family, as much or  
probably more so that we miss him at work.
