“ Linda, so sorry for your loss. You and the family are in our thoughts and prayers. I always enjoyed the stories that Wimp and my dad would share from the "good ole days". He will be greatly missed.

“ April- I am sorry to hear that you Dad passed away. I know the heaviness in your heart right now. It will never go away but it will decrease as time passes. Just be there for your mom and family; remembering the stories and memories he created with different people and laughing with them does help when everyone is around. The hardest times will be when you are alone or in a few weeks when everyone else's life has gone back to whatever normal is for them. It's ok to go to the cemetery and talk to him anytime you want, it does help just to go and cry it out. I go and talk to mama sometimes.

Linda- I don't know the pain you are experiencing as his wife but I am truly sorry for your loss. I know it helped my dad when he has all the kids and grandkids around.

Love ya both,
Cassie
